The screenshot displays the IBM Cloudant Databases dashboard. On the left is a dark sidebar with navigation icons and labels: Monitoring, Databases, Replication, Active Tasks, Account, Support, and Documentation. The main area has a header 'Databases' with a 'Database name' dropdown, a 'Create Database' button, and a table icon showing '350N'. Below this is a table with columns: Name, Size, # of Docs, Partitioned, and Actions. The table is empty, and a message at the bottom states 'Showing 1-0 of 0 databases. Databases per page 20'. The bottom of the image shows a Windows taskbar with various application icons and a system tray with a temperature of 27°C and the date 18-11-2022.
